— ABOUT US

We are crafting your unique business consulting ideas.

Rublesresources aims to be a model company for exploring and developing shale gas in Switzerland. We are acutely aware of the responsibilities this brings, particularly with regard to safety, environmental protection and working with local communities. Shale gas exploration and development can be carried out safely, securely and in an environmentally responsible way, and we will do that, so that as a country we have less need to use coal to generate electricity and import less gas from overseas. The company currently has onshore exploration licences in the Switzerland, Poland, Australia, North and South of the UK. We work towards increasing your profit margin by profitable investment. We look forward to you being part of our community. rublesresources is dedicated to Blue Chip information technology, oil and gas, green energy, hydropower, hospitality services, stock market shipping and logistics, biomedical research and also investing in business start-ups and acquisitions to generate treasures to finance investors.

Launched in 1868, the trust was the world's oldest collective investment fund. A lot has happened in the world over the last 150 years. And investment opportunities have changed, too. A glance at the companies that the trust invests in today shows how the financial landscape has transformed over the years. Alongside giants like BP and Unilever sit powerful newcomers like Amazon, Netflix and Facebook, and rising star companies in developing markets.
